Botox® Cosmetic ~ Restylane® ~ Juvederm® ~ Dysport™ ~ Chemical Peels ~ Blu-U Light® ~ Laser Hair Removal

Thank goodness for the Greater Lafayette Community who have been our loyal patients and friends since 1995.

Thank goodness for the support of the Greater Lafayette medical community, who trust us with their patients. **Thank goodness** for our valued patients who continue to refer many of their family and friends.

Thank goodness for the amazing staff at Swan Dermatology Center who are dedicated to customer service and make our patients welcome and comfortable.

Thank goodness Andrew our licensed Physician Assistant joined our staff in 2010. **Thank goodness** Andrew is accepting new patients for us to serve. **Thank goodness** Cheryl has finished her advanced Nursing degree and is back full time! **Thank goodness** for the LightSheer diode laser, designed to permanently remove unwanted hair, and that Cheryl has perfected the use of this technology.

Thank goodness for the Pharmaceutical companies who are committed to research and development for products to aid in treating medical and cosmetic skin conditions.

Thank goodness for Dr. Lori Swan and her techniques to keep us ageless — facial rejuvenation without surgery,

dermal fillers, Botox® Cosmetic and laser and facial peels. **Thank goodness** the FDA approved Botox® Cosmetic for the dramatic improvement of fine lines and wrinkles. **Thank goodness** for Dr. Lori Swan's expertise in administering Botox® Cosmetic since 2000. **Thank goodness** for the advent of dermal fillers, Restylane®

and Juvederm® so that Dr. Lori Swan can make our patients look their personal best.

Thank goodness we have the Journal & Courier to advertise

in and reach the people of central Indiana. Our biggest **Thank goodness** belongs to YOU, we at Swan Dermatology Center appreciate all the faith you have in voting us Reader's Choice #1 in Cosmetic Surgery and Dermatology. **Thank goodness** for all of you.

Thank goodness for all of you.
