

It's clear to see high-quality care emphasized here

Clients of Dr. Lori Swan, board-certified dermatologist, have returned the great treatment she has provided them and voted and secured the nod for the Reader's Choice Award in both the Dermatologist and Cosmetic Surgery category.

Since opening Swan Dermatology Center in 1995, Dr. Swan has continued to grow her practice and stay focused on providing excellent,

medical dermatologic care while placing an emphasis on customer service. Additional cosmetic services have been added including laser hair removal, vascular laser, Parisian Peel®, BOTOX® Cosmetic and dermal fillers.

Adding to the appeal of the services offered, Dr. Swan has specialized medical training and professional expertise in the diagnosis, care and surgical management of a variety of skin-related issues. This includes the treatment of acne, moles, skin cancer and the treatment of aging and sun damaged skin.

Her expertise reaches beyond just that, however. When it comes to her patients, Dr. Swan's goal is providing high-quality care to each and every one of them. Cultivating caring, educated, professional staff is a priority at Swan Dermatology Center. Dr. Swan credits her staff for treating patients well both medically and personally. "At Swan Dermatology Center, we realize that by choosing our office for your skin care needs, you've placed a lot of trust in us,

and we take your trust very seriously."

To ensure patients are happy with their visits to Swan Dermatology Center, they contract with Dr.Score.com as an ongoing way to continually evaluate the service of the center.

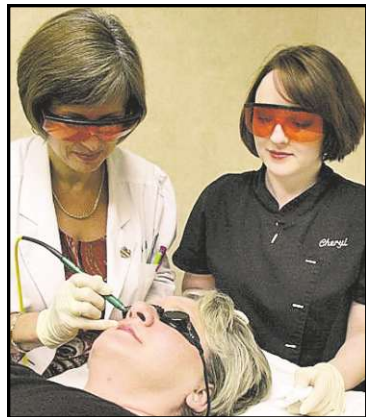

These comments from patients made on Dr.Score.com reiterate the excellent service and compassion shown to her patients. "I have complete faith in Dr. Swan, and a visit there is always pleasurable," "Very thorough and proactive to any concerns."
